DIRECTORATE OF SCHOOL EDUCATION  
NAGALAND : KOHIMA**

No. ED/ACCT/MONITORING-UID/2018-19

Dated: Kohima the 7<sup>th</sup> May 2026

**NOTIFICATION**

**Subject: Missing/Not uploaded Aadhaar in UDISE+**

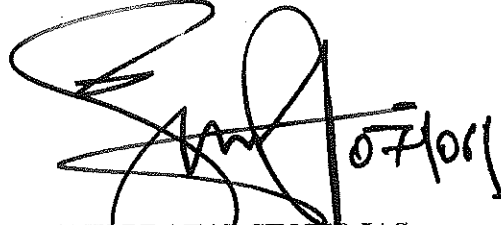

This is for information of all the School heads (both Government and Private) that several student records in UDISE+ are missing Aadhaar details or Aadhaar numbers have not been uploaded as indicated in the attached **Annexure**. As you are aware, Aadhaar is a mandatory requirement in UDISE+ for generating the APAAR ID of each student.

It is important to note that if students do not have Aadhaar, students will not be able to enrol in higher education or other services, appear for exams like JEE, NEET, CUET, etc. Furthermore, enrolment in the Aadhaar system itself becomes more difficult once a student crosses 18 years of age.

Therefore, all School Heads (Government and Private) are requested to ascertain the number of students without Aadhaar (Not enrolled) and submit the details on or before **16<sup>th</sup> of May 2026**, through the Google Form link embedded as **QR CODE** below. The link can also be obtained in the official website of the department (<https://education.nagaland.gov.in>).

Accordingly, all District Education Officers (DEOs) and Sub-Divisional Education Officers (SDEOs) are requested to coordinate with schools (both Government and Private) within their jurisdictions to ensure timely completion of this exercise by all the schools.
